Sir,

Sub:- Displaced persons from Pakistan - Varandmal Thavardas Bellary Rehabilitation in Bellary - Rrquisition for grant of permission to change business and run of cloth shop - License requested .

I beg to submit the following few lines for your kind consideration and early orders there on :-

I am sent here for my rehabilitation and the Government has advancedbusiness loan in my favour to run a sweet-meat stall. There was a business stall allotted me me and due to recent heavy rains here the temporary shed has fallen and is of no use and I am not in a position to open the sweet-meat and tea stall. Besides there afe number of other teastalls run by malabaries, pakistaneee and other people and the business is far low than expectation. I therefore requested the kind Government to permit me to change the business and also grant additional loan amount of Rs.1500/-. The Government has considered the application and have sanctioned me additional loan but I have not received the same.

Now I have decided to run a cloth shop and I request you to kindly consider in the matter sympathetically and grant me a cloth license and additional loan amount to run the shop. I am a poor refugee and have come here after leaving everything in Pakistan and have become old. Due to my old age it is not possible to prepare sweets etc. and as such I desire to run the cloth shop and earne/ pray you will be kind enough to consider the application and g the cloth license and also assist me financially to run th/

shop. For which act of kindness I shall ever remain grateful.

Thanking you

Yours faithfully,

Sir,

Sub:- Displaced persons from Pakistan- Allotment to Bellary District - Rehabilitation - Varandmal Thavardas-

---

I beg to submit the following few line- for your kind consideration and early orders there on :-

I have submitted a number of applications for considerations of my petition and favour me with orders. All my petitions have been heard a deaf ear.

As already stated in my previous applications my present business of sweet-meat stalls is not a paying one. The income is not sufficient to meet my expenses. Instead of a decent income I am getting heavy loss in the business. The te mporary shed has been destroyed completely during the recent rains. As regards sales a number of tea stalls are run in the Adoni Bus Stand. I have determined therefore to change this business, and run a cloth shop in this place.

A minimum of Rs.2500/- is required to run a cloth shop and a license is essential for the same.

I therefore request you to kindly consider over the matter sympathetically and pass orders to grant me an additional loan of Rs.2500/- and issue me a licinse (retail) so that I may prosper in my business and rehabilitate here.

If however your kindness is not kind enough to consider my application I may be permitted to leave this place and go to Hardwar and stay there.

I am awaitibg for your kind response,

Thanking youm

Yours faithfully,

Bellary,

Sri. Varandmal Thavardas, a refugee from Pakistan was granted a business loan of Rs. 450/- for running a tea-stall It is not true that his tea stall crumbled on account of heavy rains. The refugee has no dependents and is getting on by taking hand loans from others. Enquiries show that he is a careless person and has no earnestness to stick on to any one business. Further, as he has not cleared the first loan, he cannot be advanced another loan. In the circumstances the change of business as desired by the refugee is not recommended. A copy of the history sheet of the refugee is enclosed.

Sir,

Sub:- Displaced persons from Pakistan - Rehabilitation in Bellary Town - Change of business - Varandmal Thavardas- Request for grant of mill cloth license.

I, the undersigned Pakistan refugee beg to submit the following few lines for your kind consideration and early orders thereon :-

I have submitted a number of application to consider my difficulties here but not a single application has received your kind and sympathetic hearing.

The Municiplaity is letting the business stalls to all the outcomers such as Malabaris, and other muslim people. We are facing accute competation from the outcomers and the business is at a loss instead of getting income. We have represented our difficulties to the local Municipal Chairman but he has not heard our difficulties sympathetically.

I have also submitted for grant of change of business and issue of a Mill Made cloth license but the same too has not received any favour from you.

We are here at the mercy of the Government and unless the benign Government hears our difficulties and gives protection there is none and I earnestly request you to kindly consider over the matter and pass orders favourably and arrange to issue me a license to run a cloth shop for which act of kindness I shallever remain grateful.

Thanking you,

PUBLIC DEPARTMENT

I have your above Memo dated 21-12-51 and regre t very much to note the contents thereof. I beg to submit you as follows my hardships here once again for your kind and sympathetic consideration and early orders thereon:-

The business now I am carrying on is not fetching any decent income to maintain myself. The business place too allotted to me is not a strong one and the open space is not fit for carrying on the tea shop. It is not rain proof. The other Malabari people who are carrying on tea shops are competing fully and I am not in a position to compete with them in the business. I am a old man. I am not in a position to stand near the hearth always. There is no other business than retail cloth shop to maintain myself and to run the seme a license is essential.

I earnestly request you therefore to kindly consider my this application sympathetically and revise orders of your above memo and grant me permission to change my present business and run a cloth shop with a license and a business loan to finance the business. For which act of kindness I shall ever remain grateful.

Thanking you,

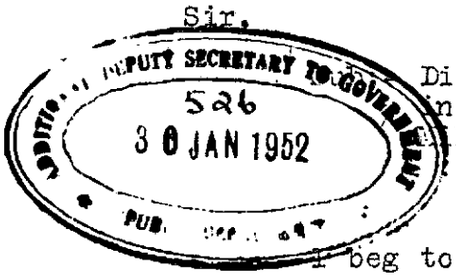
Sir,



Displaced persons from Pakistan - Rehabilitation in Bellary Town- Grant of additional loan and Mill Made Cloth license.

I beg to submit the following few lines for your kind consideration and early orders there on :-

I am a poor refugee. The present sweet-meat business is not fetching any profit to maintain myself and for the same reason I have requested the kind Government to consider over my sympathetic and helpless condition and grant me an additional loan to run a Mill Made cloth shop in Bellary and thus get some gain to maintain myself. I am in a distress condition. Unless my case is considered sympathetically and given a licence for Mill Made cloth it is not possible for me here to stay for my rehabilitation. The business stall too is not a strong one. The same is a open space and the temporary shed is completely gone due to rains etc.

Hence I earnestly request you to kindly consider over the matter and do the needful in the matter.

Thanking you ,

Yours faithfully,

Respected Sir,

Sub:- Displaced persons from Pakistan - Rehabilitation in Bellary Town - Change of business to Mill Made Cloth shop- Request for grant of permission.

I, the undersigned beg to submit the following few lines for your kind consideration and early orders there on :-

My applications for grant of issue of a cloth license is rejected without taking into considerations the contents of the applications. I admit that I applied for a grant of additional loan for constructing a permanent business premises as the temporary shed was not rain proof. I do notknow the reasons why my applications are almost heard a deaf ear.

A | The sweet-meat stall is not returning any income to me to maintain myself. As such I may be permitted to run a cloth shop to earn something to maintain myself. Only I require a license to run the shop with an additional loan of Rs.1000/- only to finance the business.

Hence I request you to be kind enough to consider my application sympathetically and grant me additional loan of Rs.1000/- and a license so that I may run the shop and rehabilitate here.

Thanking you,
